

# Instructions for Abstract Preparation for JAAST Annual Meeting

(First page)

(Somewhere Univ.) ○Taro Yamada\*, (Elsewhere Univ.) Hanako Suzuki\*\* and Jiro Tanaka\*\*\*  
(Affiliation) Mark speaker with ○.

Asterisks are corresponded with detail affiliations at the bottom of this page.

## Abstract

The abstract should be in single-column format (like this example) and no more than 200 words.

## Introduction

The abstract should be in double-column format (like this example) and no more than 2 pages of A4 paper for regular abstract. Use A4 page set-up and make all margins (top, bottom, left and right) 20 mm wide. Use 10.5 pt Times New Roman fonts (except for the title which should be in 15pt bold and in sentence case). Centre the title. Put the authors' names and affiliations on right. Mark the name of speaker with a circle.

## Experimental

The detail affiliations and addresses should be written the bottom of this page. The asterisks should be corresponded to them in authors list at the top of the first page

## Results and Discussions

Do not use page numbers. Ensure that Figures and Tables have captions and that they are numbered consecutively.

Table 1 Physical properties

Substance
Water
CO <sub>2</sub>

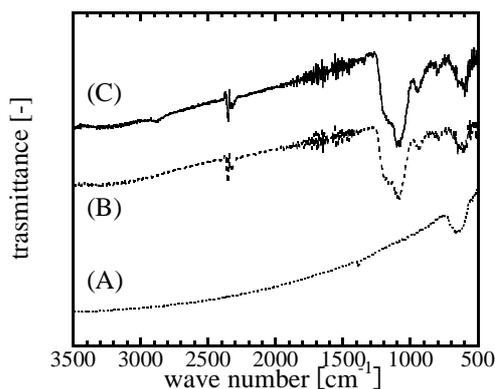

Fig. 1 FI-IR spectra of particles.

## ABSTRACT SUBMISSION

The abstract should be submitted in PDF format and sent to

[adachim@chemeng.osakafu-u.ac.jp](mailto:adachim@chemeng.osakafu-u.ac.jp).

The deadline is 31 May, 2016.

\* Taro Yamada, Department of Chemical Engineering, Somewhere University, City, Country

\*\* Hanako Suzuki, Department of Chemical Physics, Elsewhere University, City, Country

\*\*\* Jiro Tanaka, Department of Physical Chemistry, Elsewhere University, City, Country

(\* , \*\* , \*\*\* should be corresponded to them in authors list on top of page)

(Second Page)

Start the text of second page, here.
